

# INTERNATIONAL CONFERENCE ON **MATERIALS** SCIENCE, ENGINEERING & TECHNOLOGY PARIS, FRANCE

## ABOUT CONFERENCE

The 06th International Conference on Materials Science, Engineering & Technology invites scientists, researchers, engineers, academicians, and professionals from companies around the world to convene and collectively explore their visions, ideas, recent developments, and findings in the expansive realm of materials science. This conference, in association with the North Central College, United States, will take place in Paris from 28th to 30th May 2025. It promises to serve as a dynamic platform for participants to exchange knowledge, innovative ideas, and invaluable experiences, fostering interdisciplinary collaboration and advancing the understanding of various aspects within the field of materials science. Join us as we embark on this enriching journey of exploration and discovery.

**28-30 MAY 2025**

## THEME

**ENCOUNTERS AND INTERVENTIONS  
IN MATERIALS SCIENCE, ENGINEERING  
AND TECHNOLOGY**

### CONFERENCE CHAIR

**Dr. Shan-Ju Chiang**

Department Head of Mechanical & Electrical Engineering,  
North Central College, United States

### CONFERENCE COMMITTEE

**Prof. Rodrigo Martins**

President, European Academy of  
Sciences | New University of Lisbon  
Portugal

**Prof. Shoshana Arad**

Ben-Gurion University of  
the Negev  
Israel

**Prof. Xiang Ma**

East China University of  
Science & Technology  
China

**Prof. Abdeltif Amrane**

Institute of Chemical  
Sciences of Rennes  
France

**Prof. Fang Wang**

University of Chinese  
Academy of Sciences  
China

**Prof. Lorna Uden**

Staffordshire  
University  
United Kingdom

**Dr. Noor alhuda  
Ahmed AL Saqri**

Sultan Qaboos University  
Oman

**Dr. Teresa S. Ripolles**

University of  
Valencia  
Spain

# PLENARY SPEAKERS

**Prof. Zhong Lin Wang**  
Beijing Institute of Nanoenergy and  
Nanosystems, China | Georgia  
Institute of Technology  
United States

**Prof. Itamar Willner**  
Center for Nanoscience and  
Nanotechnology, The Hebrew  
University of Jerusalem  
Israel

**Prof. Rabah Boukherroub**  
University of Lille  
France

**Prof. Shen-Ming Chen**  
National Taipei  
University of Technology  
Taiwan

# SESSIONS

**Session 1:** Energy Materials and Technology

**Session 2:** Nanomaterials and Nanotechnology

**Session 3:** Functional Materials and Technology

**Session 4:** Composite and Ceramic Materials

**Session 5:** Biomaterials and Biodevices

**Session 6:** Electronic, Magnetic and Optical Materials

**Session 7:** Environmental and Green Materials

**Session 8:** Biosensors and Bioelectronics

**Session 9:** Carbon Materials and Technology

**Session 10:** Computational Materials and Modelling

**Session 11:** Graphene Materials and Technology

**Session 12:** Materials Synthesis and Processing

**Session 13:** Polymer Science and Technology

**Session 14:** Structural and Engineering Materials

**Session 15:** Thin Films, Materials Surface and Interfaces

**Dear Respected Participants,**

It is our great pleasure to extend a warm and pleasant welcome to all attendees of the 06th International Conference on Materials Science, Engineering & Technology, which will be held at France dated on **28th to 30th May 2025**. We look forward to welcoming you at the conference and engaging in fruitful discussions and collaborations.
